Mr R. Jones.
Lancashire County Council

27th January, 2017

Dear Mr Jones,

Application: LCC/2016/0092

Proposal: Installation of 2.4m high security fencing and gate to Gaisgill Avenue boundary of the school at: Westgate Primary School, Langridge Way, Morecambe

The Town Council considered the above application at its meeting on 19th January, 2017 and made the following comments:

“With regards to the installation of a 2.4m high security fence at Westgate School, the County Council be advised that the Town Council remained concerned at the proposed height of the fence which would have an adverse effect on residents i.e. loss of light and that the applicant be requested to explain further the reasons for a fence of this height.

I appreciate that you have approved this application prior to the Town Council considering the matter. Our calendar of meetings did not allow the application to be considered prior to your deadline date.

However, I would be grateful if you could reassure the Town Council about the height of the approved fence and the reasons for it needing to be this height.

Yours sincerely,

David Croxall
Town Clerk
