

MORECAMBE TOWN COUNCIL

You are hereby summoned to attend the Meeting of Morecambe Town Council to be held in the Town Hall, Morecambe on **Thursday 7th November** commencing at **7.00 p.m.**

The following items will be discussed:

Agenda

1. Apologies for Absence.

2. Declaration of Interests.

To receive declarations by Members of interests in respect of items on this Agenda.

Members are reminded that, in accordance with the Localism Act 2011, they are required to declare any disclosable pecuniary interests which have not already been declared in the Council's Register of Interests. (It is a criminal offence not to declare a disclosable pecuniary interest either in the Register or at the meeting).

Whilst not a legal requirement, in accordance with Council Procedure Rule 10 and in the interests of clarity and transparency, Members should declare any disclosable pecuniary interests which they have already declared in the Register, at this point in the meeting.

In accordance with Part B Section 2 of the Code of Conduct, Members are required to declare the existence and nature of any other interests as defined in paragraphs 8(1) or 9(2) of the Code of Conduct.

3. Minutes. To consider draft minutes of the previous meeting on 3rd October 2019.

4. Public Participation. Meeting to be adjourned for the opportunity for public discussion.

5. Environmental Enforcement Officer

6. Chairman's Report

7. Acting Town Clerk's Report

8. Project Officer's Report

9. Planning Applications, Temporary Road Closures & Planning decisions

10. Morecambe in Bloom Update and Considerations for 2020.

11. Date of Next Meeting – Thursday 5th December 2019 at Morecambe Town Hall commencing at 7pm.

Bob Bailey

Acting Town Clerk. 31st October 2019

24th September 2019

MORECAMBE TOWN COUNCIL

Draft Minutes of the Meeting of Morecambe Town Council held on Thursday 3rd October 2019 at 7.00 p.m. at Morecambe Town Hall.

Present: Councillors: P. Heath (Chairman), T. Anderson, P. Anderton, Mirka Balcer, Mariusz Balcer, J. Bates, V. Boyd-Power, S. Burns, T. Clarke, R. Cleet, I. Clift, G. Dennison, R. Dennison, M. Evans, J. Firth, J. Goodwin, J. Hanson, D. Jenkins, C. Matthews, J. Newton, M Pattison and J. Pilling.

Officers in Attendance: N. Kitchen (Project Officer), Sergeant L. Brown (Lancashire Constabulary) Jonas Bartle (Community Engagement Officer - Volunteer Champions Scheme)

The Chairman opened the meeting by warmly welcoming everybody present.

61. Apologies for Absence:

Councillors: J. Ashworth (Vice-Chair) A. Ashworth, P. Ross-Clasper. D. Whitaker.

Councillors Anderton, Boyd-Power, Goodwin, Hanson and Matthews declared a personal interest in agenda item 8, Planning Applications as they were all members of the Planning Committee at Lancaster City Council.

63. Minutes of Meetings held on 5th September 2019:

The Council considered the Minutes of the Meeting of the Town Council held on 5th September 2019 and it was **resolved** that the minutes be signed as a correct record.

64. Public Participation:

The Meeting was not adjourned because there were no members of the public present who wished to address Council.

65. Chairman's Report:

The Chairman congratulated Councillor M. Pattison on her recent appointment and welcomed her to the Council.

The Chairman apologised to Members for any outstanding administrative tasks and explained that the Town Clerk remained on long term sickness absence.

The Acting Town Clerk and Project Officer – both working on a part-time basis - are experiencing significant challenges and operational issues and tasks are having to be prioritised.

The Chairman advised that both Officers had been outstanding in working to get the Town Council's financial governance and administrative functions up-to-date and ensuring day-to-day business continues. The Chairman's statement received unanimous applause.

The Chairman invited Sergeant L. Brown and J. Bartle from Lancashire Constabulary to address Council.

Sergeant Brown provided detailed background information regarding crime and policing both nationally and locally. Whilst crime rates had seen an encouraging reduction in numbers, there were still however ongoing issues regarding 'hotspot' areas within the Town.

Youth Anti-social behaviour (ASB) although still an issue, had reduced.

Poulton Ward and West End in particular, had not seen any real reduction in levels of ASB. ASB had also been identified in specific roads within the town and Sergeant Brown advised that any such areas would receive a targeted response and were subject to mobile patrols.

Sergeant Brown advised Council about two serious and community affecting issues which the Police were actively working to address:

- **County Lines:** criminal gangs set up a drug dealing operation in a place outside their usual operating area. Gangs move their drug dealing from big cities such as Manchester or Liverpool to smaller towns in order to make more money. This can have an effect on the community who live there and bring with it, serious criminal behaviour.
- **Cuckooing** is when drug gangs take over the home of a vulnerable person through violence and intimidation, using it as their base for selling / manufacturing drugs.

Sergeant Brown advised that due to an injection of funds nationally, Lancashire Constabulary anticipate an additional 400 new officers. Through the precept, Morecambe Town residents had received 4 new officers who were part of the Neighbourhood Policing Team.

Sergeant Brown concluded by reminding Members about the scheme for ward working volunteers, which he had informed Members of at the Annual Town Meeting this year.

Sergeant Brown invited Jonas Bartle to address Council about the Community Champions Scheme.

Mr Bartle explained the scheme as one that was influenced through the recruitment of local people who had local knowledge, and as such, would perhaps be aware of any issues in their own neighbourhoods. Members were advised that a Community Champion would receive training and guidance and could volunteer for anything between 2 – 6 hours a week. Members showed significant interest and asked several questions regarding the scheme which Mr Bartle provided answers for.

Actions: Any Members who wish to participate with the ward working and Community Champion Schemes, to indicate to the Acting Town Clerk or Project Officer.

The Chairman thanked both Sergeant Brown and Mr Bartle for their informative and positive briefing.

66. Acting Town Clerk's Report:

The report provided was detailed and concentrated around all matters regarding financial regulation, financial practices and audit control (See appendix 1). There were several recommendations and requirements for Council to determine what actions should be duly taken.

Audit Review – Annual Governance and Accountability Statement.

- 1. Standing Orders & Financial Regulations:** Changes within the Town Council to the committee structure necessitate the need to review and amend Standing Orders and Financial Regulations and its functions and responsibilities to ensure that good governance is maintained.

It was **resolved** that Council accept these recommendations and that the Acting Town Clerk implements necessary changes to strengthen or enhance internal controls.

- 2. Payment controls:** The schedule of payments presented to and authorised by resolution to each meeting of the Town Council should be initialled or signed by the Chairman and the total amount recorded in the Minutes.

It was **resolved** that Council accepted these recommendations and that the Acting Town Clerk implements necessary changes to strengthen or enhance internal controls.

- 3. Contracts for Services and Goods:** In accordance with s.135 of the *Local Government Act (1972)*, Standing Orders and supporting Financial Regulations must make provision for securing competition and regulating the procedure for the receipt and award of tenders. The Town Council's financial regulations specify a limit of £5,000 above which formal tenders are to be sought. Public Contract Regulations now state that formal tender arrangements should be for works and services above £25,000. It was recommended that the Town Council reviews the current arrangements and determines the limits for seeking tenders based on local circumstances. Council noted that this was an issue that had been raised previously, but it was **resolved** that the limit of £5,000 be unchanged.
- 4. Reserves:** The Town Council's balances as at 31st March 2019 (after taking account of earmarked reserves) whilst acceptable, was at the lower end of what is generally accepted as being prudent. It was recommended that the Town Council reviews its *Reserves Policy* and determines a level for general reserve as part of the budget process and before setting the precept for the coming year. It was **resolved** that Council accepted these recommendations and that the Acting Town Clerk implements necessary changes to strengthen or enhance internal controls.
- 5. Grants:** The Town Council currently only has criteria by which they award grants for the Community Grant scheme. In order to ensure that the Town Council is awarding grants that are within their legal powers, it is recommended that the application process for all grants is reviewed, and the relevant powers used to award grants clearly recorded.

Several questions were raised, and it was **resolved** that grant procedures and arrangements be considered fully at a future meeting.

External Audit Report – Accounts and Audit Regulations 2015.

Members were advised that following the conclusion of the audit ‘on or around the 30th September’, the following actions **must be** carried out:

1. Prepare a ‘*Notice of conclusion of audit*’ detailing the rights of inspection, in line with statutory requirements;
2. Publish the ‘Notice’ along with the certified AGAR, including publication on the Town Council’s website;
3. Keep copies of the AGAR available for purchase by any person on payment of a sum to be determined by the Town Council;
4. Ensure that the AGAR is available for public access for a period of not less than 5 years from the date of publication.

It was **resolved** that the statutory requirements be noted and that the Acting Town Clerk to carries out the necessary actions to ensure compliance with the *Accounts and Audit Regulations (2015)*.

Grants.

As the Acting Town Clerk was satisfied that all criteria had been met and the necessary paperwork had been received and verified, Members were asked to approve payments for:

1. Morecambe Pride, £7,000;
2. Morecambe 1940’s revival, £4,000, and;
3. £1,000 for an ‘Armed Forces Grant’;

It was **resolved** that Council approve the payments and instruct the Acting Town Clerk to issue payments accordingly.

Two further applications had been received, under the provisions of the *Miscellaneous Grant* scheme where both applicants had submitted a bid for the maximum available grant of £500. The Acting Town Clerk requested that Members determine whether to review the procedure and criteria for all grants as recommended by the Internal Auditor.

Members discussed several issues surrounding grants and it was **resolved** that the Acting Town Clerk be requested to provide a report outlining the budget allocations for grants, and the value of funds spent and remaining from the current agreed budget 2019/2020.

Actions: The Acting Town Clerk to prepare a report for the November 2019 Council Meeting.

Payments Schedule.

Members were requested to approve the payments list and to consider purchasing two additional pages for the forthcoming edition of *The View*. It was explained that the extra pages within *The View*, due to be published in November, would provide an opportunity to ask residents about Council priorities and inform the budget setting process.

After discussion it was **resolved** that:

1. Members approve payment and the list be initialled by the Chairman;
2. Members approve expenditure for the two additional pages in *The View*.

Members were reminded that the Council had facilitated the opening of the Dome toilets from Easter until the end of September and it was noted that these were now closed. It was brought to Members attention that the contract and cost associated with monitoring and checking the toilets for Legionnaires' disease continues during the closed season unless the contract is formally cancelled.

After some discussion, it was **resolved** that the Acting Town Clerk formally notifies the service provider that the Council wished to terminate the current arrangements.

Staff.

Members were advised that there had been errors in the salaries and scale points of staff previously reported and that these had now been corrected. In the absence of the Town Clerk, some difficulties remain in gaining access to certain systems and outstanding issues regarding the Local Government Pensions Scheme (LGPS) have still to be addressed.

Payroll, accounting and banking arrangements.

The Acting Town Clerk's report set out several points for consideration relating to the payroll, accounting and banking arrangements. Members were asked to consider the options and determine the way forward.

After some discussion, it was **resolved** that:

1. Members note the current position relating to the Scribe Accounting System;
2. The Acting Town Clerk seeks to replace the existing payroll system 'Payroo' with HMRC Basis PAYE tools.

3. The Acting Town Clerk make arrangements to cease banking with HSBC and commence banking with Unity Trust Bank and that the designated signatories for the new account(s) be Chairman and Vice Chairman of the Council, and Chairman and Vice Chairman of Personnel Committee.

Website.

The Town Council has previously resolved '*That the Town Clerk be requested to obtain tenders/quotations for the provision of a new Town Council Website and to submit these to Council for consideration*'. The Acting Town Clerk has found that several quotations received some months ago have not yet been considered by the Town Council and potential suppliers have requested updates on the progress with the tendering process.

It was **resolved** that the Acting Town Clerk to prepare a report for consideration at the earliest opportunity.

67. Project Officer Report.

Members considered the report and recommendations regarding the activities of the Environmental Enforcement Officer. Members were requested to consider purchasing a laptop to remove the necessity of the Officer having to return to the Town Hall to complete administrative tasks.

Members were advised that two Councillors had accompanied the Officer and their reports will be presented in the November meeting. It was suggested during discussion that the Officer would benefit from a video camera in his vehicle, particularly in 'hotspot' areas, and that if the Officer was employed for more hours than he currently is, more could be achieved.

It was **resolved** that the Council would purchase a laptop from Lancaster City Council under the conditions set out in the Report.

68. Planning Applications.

Councillors Anderton, Boyd-Power, Goodwin, Hanson and Matthews left the meeting at this point as they had declared an interest earlier in the meeting.

The Council considered the following Planning Applications:

Application Number	Proposal Details	Site Address
19/01139/FUL	Erection of a single storey side extension.	2 Wingate Avenue. Morecambe. LA4 4SH
19/01152/FUL	Erection of a detached bungalow.	Montressa. Green Lane. Heaton with Oxcliffe.
19/01173/PAD	Prior approval for demolition of existing single storey music building and two storey art building.	Morecambe Bay Academy. Dallam Avenue. Morecambe. LA4 5BG
Road Traffic Order: Effective from 08:00 hours on Monday 11 th November 2019 No person shall cause any motor vehicle to proceed over that length of Back Crescent Street, Morecambe from its junction with Pedder Street to its junction with Nelson Street		
Road Traffic Order: Effective from 08:00 hours on Monday 13 th January 2020 No person shall cause any motor vehicle, cycle or pedestrian to proceed over that length of Back Marine Road, Morecambe from its junction with Albert Road to its junction with B5274 West End Road		

Resolved: In respect of the Road Traffic Orders, Council queried whether this would prevent people from gaining access to private parking facilities.

Members requested information from the West End and Heysham Allotment Association which is managed in agreement with the Council. Specifically, an update was requested regarding the expressed intention for the Association to relocate on site the hut and the chimney. Details regarding Councillors attending meetings was also requested.

It was **resolved** that the Project Officer obtain the information and report back to Council.

Councillors Anderton, Boyd-Power, Goodwin, Hanson and Matthews returned to the meeting at this point.

69. Neighbourhood Plan Update.

Council was given an informative and detailed update on the project and the following key points were provided:

- Progress has been slower than anticipated;
- The Steering Group now required evidence to support the Neighbourhood Plan proposals;
- The voices of young people are a noticeable absence in the data already gained;
- The list of Community Assets could be reconsidered to include any additions;
- The Plan required a consideration of Environmental policies, Climate Change mitigation and low carbon initiatives;
- The importance of demonstrating that the Plan supports community engagement was stated;
- Using the 6 key Lancaster City Council Wards, an introduction of area forums where Members have an understanding about their respective wards may prove beneficial.

Members considered that Councillor Bates was doing an excellent job and queried whether the Eden Project could complement the Neighbourhood Plan, and sites such as Frontierland could invite new opportunities for the Town.

It was **resolved** that the Project Officer would circulate details regarding the Neighbourhood Plan Steering Group Meetings and warmly invite Members to participate should they wish to do so.

70. Morecambe in Bloom.

Members received an update on Morecambe in Bloom and the voluntary group Morecambe Bloomers which the Council supports.

Due to the continued long-term absence of the Clerk, coupled with problems experienced in establishing what had, or had not been completed, it was decided at the previous meeting that the Morecambe in Bloom presentation evening would be postponed until the New Year. It was confirmed that the venue booking for an evening in October, had now been cancelled at no cost to the Council.

It was noted that the Bloomers had met the previous evening where the main discussion had been the future constitution of the group because the Chairman had decided to step down. There had been no date set for their next meeting.

71. Exclusion of Press and Public.

The Council was recommended to pass the following recommendation in relation to the following item:

“That, in accordance with Section 100A(4) of the Local Government Act, 1972, the press and public be excluded from the meeting for the following item of business, on the grounds that it could involve the possible disclosure of exempt information as defined in paragraph 1 of Schedule 12A of that Act.”

Members are reminded that, whilst the following item has been marked as exempt, it is for the Council itself to decide whether to consider it in private or in public. In making the decision, Members should consider the relevant paragraph of Schedule 12A of the *Local Government Act 1972* and should balance the interests of individuals or the Council itself in having access to information.

The Project Officer left the meeting.

72. Personnel Committee Report and recommendations.

Council were advised that a Personnel Committee Meeting had been held on the 23rd September 2019.

It was **resolved** that the recommended independent specialist be appointed to deal with personnel issues with a limit of £10,000 in the relevant budget.

The Project Officer returned to the meeting.

73. Date of Next Meeting.

Thursday 7th November 2019 at 7.00 p.m.

The meeting ended at 8.45 p.m.

Agenda item 8

Project Officer's Report to Council Members for November 7th, 2019

It was **resolved** at the October Council meeting (minute number 67) that the Council would purchase a laptop from Lancaster City Council under the conditions set out in the Project Officer's Report for use by the Environmental Enforcement Officer.

Members are advised that an order to Lancaster City Council has now been raised.

Two members accompanied the Environmental Enforcement Officer in October 2019. Their reports are set out below:

Councillor M. Balcer. Harbour Ward: *Comments from the observational shadowing of the Environmental Enforcement Officer on his daily duty.*

I observed that the Environmental Enforcement Officer has quite a big input on lives of some people in our community. Not only does he educate misbehaving dogs' owners for not cleaning up their dogs' mess, but he does not hesitate to give out a penalty if required. He seems to be very confident in his job and as he stated himself on many occasions, he really likes his job. He appears to be quite passionate about our community and surroundings, paying attention to the cleanliness, rubbish disposal even assisting people in resolving little disputes regarding trash removal. He likes to make himself known to residents and makes his presence stand out, so people know who he is and what he is there for. He has been provided with some working gear i.e. company mobile, special vest and a camera that records his actions/conversations, but most importantly protects him against any hostility/violence that he might be expose to. Of great support to his role is a company, marked car that enables him to commute very quickly, especially welcomed in rainy days. Personally, I would like to learn bit more about his is request for the unmarked company car.

I truly hope that his role, as a Dog Fouling Enforcement Officer, empowers him to make a positive impact in our society, for all of us to enjoy beaches and pavements free of litter and dog droppings. I would like to see his passion and energy to continue to enforce the law and rules for the benefit and a better quality of life for everyone in Morecambe, one of the most stunning seaside town!

Councillor M. Evans. Westgate Ward *Comments from the observational shadowing of the Environmental Enforcement Officer on his daily duty.*

Following on from my morning out with the Environmental Enforcement Officer the other week the following proposals have arisen:

1. He requires his own vehicle to carry out this role (already actioned)

2. A fixed camera for his vehicle (dash cam) to be used in filming problem areas unmanned if necessary (under cover filming)
3. The current hours for this role are 18Hrs a week. I propose an increase to 25 hrs a week to cover dual role of litter fly tipping/dog enforcement.

The Environmental Enforcement Officer is very proactive in this role and has great relationship with the public and also showed very good investigating skills in tracking down fly tippers.

I wasn't aware before going out with him that he was responsibility for dog fouling enforcement and litter/fly tipping which is why I feel an extra 7 hours a week will help combat both these problems.

Response received from West End Million (WEM)

Following his attendance at the August Council Meeting, Mr C Price has now provided the following briefing note in response to several questions raised by Members for consideration:

Response to Morecambe Town Council re: questions on WEM

I have put together answers to the questions I was asked at the August Town Council but deferred to a written reply once I was confident of my answers. Please see answers below:

Q. Councillor Dennison asked whether funding had to be spent by 2021 as he believed that the original WEM had commenced in 2012 and as it was for 10 years this would take it to the end of 2021?

A. WEM had not been constituted until 2015 and the 10years started then. However, we actually have until early 2026 which is when the programme as a whole ends. The term has some flexibility and was not absolutely fixed to 10 years

Q. Councillor Cleet asked if WEM had fixed costs (e.g. staff). He also asked how this compared to the spend on projects and what remains after the administration costs?

A. Part of the WEM project is for the group to learn so we expect our medium term projections to change. However, every 3 years we have to present a plan to Local Trust.

Our current plan can be downloaded from our website at:

<https://westendmillion.co.uk/wp-content/uploads/2019/09/WEM-Plan-2018-21-final.pdf>. Cash flow projection can be found on page 14.

Q. Councillor Heath asked about the figures on the WEM website regarding how much had been spent. She further asked if a list could be provided of actual spend to date.

A. I am not at liberty to publish the detail of who has received grants and for how much. However, we do publish our minutes on the westendmillion.co.uk website and will be publishing a regular review so that the public are kept aware of our activities.

If you require further information you can contact our Local Trusted Organisation (LTO). As a group we operate within the policies and practices of our LTO who ensure that our spend aligns with Local Trust guidance.

Unlike town councillors, the partnership members of WEM have no personal liability though we are bound by Local Trust guidelines.

For more information on the role of the WEM partnership and other Big Local groups see: <https://localtrust.org.uk/big-local/programme-guidance/big-local-partnerships/>

WEM Minutes: <https://westendmillion.co.uk/meetings/>

Our LTO is Lancaster District CVS: <http://lancastercvs.org.uk/contact-us/>

Agenda Item No: 9

Planning Applications, Temporary Road Closures & Planning decisions:

The Planning Applications set out below have been notified to the Town Council. The Council may wish to make comments to the City Council on any of these applications.

Full details of the Applications may be viewed at:

<https://planning.lancaster.gov.uk/online-applications/>

In commenting on planning applications, it is important that the Council considers material planning issues. These include:

- consistency with the development plan for the area;
- traffic and highway safety issues;
- overlooking, loss of privacy and loss of light;
- scale of the development;
- design, appearance, layout and material;
- loss of important open space or physical features;
- noise, disturbance or smells;
- local knowledge of drainage or other possible problems with the surface;
- impact on the surroundings, effect on listed building and conservation area.

Issues that are not relevant include:

- Effect on private property values;
- Loss of a view across somebody else's land;
- Personal issues with the applicant;
- Moral arguments (e.g. betting shops or casinos encouraging gambling);
- Disturbance during construction;
- Private rights of way;
- Land ownership or boundary disputes;
- Matters covered under other legislation (e.g. opening hours covered by premises licences, littering)

Application No:	Description:	Site Address:
19/01208/FUL	Retrospective application for the erection of a wooden playhouse to rear	5 Lichfield Avenue, Morecambe LA4 6EA
19/01228/FUL	Demolition of existing garage & erection of a single storey side extension	4 Lake Road, Morecambe LA3 1AS
19/01254/FUL	Erection of a two-storey side extension, construction of a hip to gable extension & construction of dormer extensions to the front & rear elevations	73 Gringley Road, Morecambe LA4 4SF
19/01302/FUL	Change of use from trampoline park to a flexible use comprising either retail or leisure use and alterations to the external cladding of the building	Jump Rush, 21 Northumberland Street, Morecambe LA4 4AY
19/01305/FUL	Erection of a single storey rear extension; creation of a raised terrace to the rear & a boundary wall	381 Marine Road, Easy Morecambe LA4 5AH
19/01319/FUL	Change of use of dwelling to maisonette and flat; demolition of existing rear outrigger & erection of a replacement 3-storey rear extension	78 Lancaster Road, Morecambe LA4 5QN
19/01321/FUL	Change of use of a flat to a studio flay & a 1 bed flat	1 Queen Elizabeth Court, West End Road, Morecambe LA4 4EG
19/01351/ADV	Advertisement application for the display of four internally illuminated freestanding digital advertisement screens & and internally illuminated wall mounted digital advertisement screen	McDonald's Restaurant, Morecambe Road, Lancashire LA3 3AB
19/01372/FUL	Demolition of existing side extension & erection of a single storey side extension	37A Acre Moss Lane, Morecambe LA4 4NB
19/01375/FUL	Partially retrospective application for the construction of a hip to gable extension & a dormer extension to the rear elevation	27 Lawnswood Drive, Morecambe LA3 3LU

Temporary Speed Restriction Order: A589 Bay Gateway, Heaton-with-Oxcliffe from its junction with the M6 Junction 34 slip road, to its junction with A683 Lancaster Morecambe Bypass; A683 Lancaster Morecambe Bypass for its junction with A589 Bay Gateway to its junction with A589 Middleton Road for transport management to be carried out;
Prohibition from 0001 hours on Friday 1st November to 2359 hours on Saturday 30th November 2019

Temporary Prohibition of through traffic: Corringham Road towards Schola Green Lane to allow new water connection works to be carried out.
Prohibition from 0800 on Tuesday 17th December to 1700 on Thursday 19th December 2019

Planning Decisions

Application Number / Description	Town Council Representation	Planning Authority Decision / Status
19/01139/FUL: Erection of a single storey side extension; 2 Wingate Avenue, Morecambe. LA4 4SH	Support the planning application in principle	Application Permitted
19/01152/FUL: Erection of a detached bungalow; Montressa. Green Lane. Heaton with Oxcliffe, Morecambe	Support the planning application in principle	Application Refused
19/01173/PAD: Prior approval for demolition of existing single storey music building and two storey art building; Morecambe Bay Academy. Dallam Avenue. Morecambe. LA4 5BG	Support the planning application in principle	Prior Approval Granted
