DR-10839 - Morecambe Neighbourhood Plan Design Codes - Draft Programme (13.4.20)

Task Number	TASK DESCRIPTION	March					April				May	Г	June				July				August					September				October			
	Week Commencing	Wk 2.3.20	Wk 9.3.20	Wk 16.3.20 Wk 23.3.20	Wk 30.3.20	Wk 6.4.20	Wk 13.4.20	Wk 20.4.20	Wk 27.4.20	Wk 4.5.20	Wk 11.5.20	WK 18.5.20 WK 25.5.20	Wk 1.6.20	Wk 8.6.20	Wk 15.6.20	Wk 25.6.20	Wk 29.6.20	Wk 6.7.20	Wk 13.7.20	Wk 20.7.20	Wk 27.7.20	Wk 3.8.20 Wk 10.8.20	000000000000000000000000000000000000000	WK 17.8.20	VVR 24.0.2U	Wk 31.8.20 Wk 7 9 20	WK 7.9.20	Wk 21.9.20	00 0 00 1/1	WK 5.10.20	Wk 12.10.20		
	1 Inception																						工		耳		工			1			Ш
1.1	Inception Call		Ш																														
1.2	Acquisition of OS / mapping data																						1		T								
1.3	Inception meeting and virtual site visit			#1	meet	ing																	十		十	十	+			+			
1.4	Project plan and confirmation of scope					Ť							1										十		十	十	十			+	 	+-	
	2 Baseline Review & Analysis																						+		+		+			+			
2.1	Policy and guidance document review																				\neg		\top		7	\top							
			\vdash		+	╁	+						╁						\dashv	-	\dashv		+	+	+	+	+	+	+	+	+	+-	\vdash
2.2	Place evolution / structure plan and supporting text																						丄		\perp	\bot	丄			丄		<u> </u>	
2.3	Landscape and Open space and views diagram and supporting text																						丄		\perp	\perp	\perp				$oldsymbol{ol}}}}}}}}}}}}}}}}}}$	<u> </u>	
2.4	Movement, streets and spaces diagram and supporting text																																
2.5	Neighbourhood structure diagram and supporting text																																
	3 Characterisation Study																																
3.1	Define character/areas for design coding study focus																																
3.2	Area townsape diagrams / photographs and supporting text																																
3.3	1 Ha Figure ground samples - density and grain and supporting text																																
3.4	Details and features - desktop photographic compilation by area																																
3.5	Area issues and opportunities photographs and supporting text																																
	4 Developing the design codes												Н										+		+								
4.1	Define relevant design guidance and design code types																																
4.2	Draft list of Design Guidance / Code topics				+	+	+					+	1						+		寸		十	+	十	+	+		+	+	+	+-	
4.3	Example Design Code layout and Illustration																				T		\dagger		十								
	5 Production of the Design Codes																																
5.1	Design Codes by Area / Style / Situation / Development model																								ightharpoons		工						
5.2	Tables of codes which apply and suporting text		Ш		_	_							_								_				4	_	_		_	┷	₩	₩	Ш
	6 Production of the Final Documents																						+		4	+	#			+	╄	\vdash	
6.1	Report template																								_								
6.2	Compilation of material in InDesign (report / public consultation)																																
	7 Engagement Exercises																																
7.1	Review/workshop/ presentation of draft work																	#2 m	eetin	ng			\perp	#3	me	eting	丄					<u> </u>	
7.2	Public consutlation - details to be confirmed																									*P	ublic	consu	ultati	on?			
	8 Issues and Revisions																						4										
8.1	Issue draft to Morecambe NP group														*Draf	ft base	eline	material					*First [aft report *			<mark>2nd</mark> draft report			
8.2	2 week review period for group														NP gr	oup re	period					NP group				review period			NP group review period				
8.3	Updates to reflect comments																						工		Ī								
8.4	Issue final report																						丄		\perp	\bot	丄				*Fin	<mark>n</mark> al rep	ort
