List of Expenditure Exceeding £500.00 Quarter 2: 2024-2025

The Local Government Transparency Code 2015 requires all Local Authorities including Town and Parish Councils which have a gross annual income or expenditure (whichever is the higher) exceeding £200,000 to publish all payments exceeding £500.00 in value and all payments made via a government procurement card (credit card).

Information has been excluded from publication where the information is exempt from publication under the Data Protection Act 2018 (e.g staff salaries), or the information is confidential or would attract an exemption under the Freedom of Information Act 2000 (e.g where disclosure could be prejudicial to the commercial interests of any person including the authority).

Morecambe Town Council Finance and Governance Committee – 10.10.24 Agenda Item 10 2025-26 Budget Survey

Introduction

As per Minute FG2324-21, Officers were tasked with creating a survey for residents, the results of which could be used to help inform the Council's 25-26 budget-setting process.

The survey has been drafted keeping in mind the officer resources needed to manage the current workload, particularly in the public realm, which wouldn't be feasible with a smaller team. It doesn't dive into granular details for each service area (e.g., individual public realm tasks) as this would lengthen the survey and likely result in fewer responses. Instead, the survey focuses on gauging general opinions about what residents value and the broader impact the Council can make with its budget. The aim is to strike a balance - gathering public input to support the budget-setting process while allowing the Council flexibility to shift direction as necessary. As elected officials, the Council retains the discretion to make more focused decisions based on the trust residents have placed in them.

Language related directly to monetary considerations, such as increased spending or greater investment, has been intentionally minimised to encourage respondents to focus on the pros and cons of different service areas and the tangible benefits they provide, rather than reacting solely to potential financial implications. This approach helps prevent knee-jerk responses driven by personal financial concerns, which may not materialise. For instance, if residents express a desire for more in-house events and the Council chooses to expand in this area, officers could potentially secure additional grant funding to increase the budget, rather than relying on increasing taxpayer contributions.

A draft live version of the survey incorporating any amendments resulting from the Committee meeting will be circulated shortly afterwards. This version will need to signed off by a majority of Committee members by email response before it can be issued. From date of issue it would be recommended to run and promote the survey for a minimum of four weeks, with results to be presented to the F&G Committee at the planned 28th November meeting.

The draft survey, complete with image content, can be viewed online here: https://form.jotform.com/242421753319050

START OF SURVEY

Help inform our 2025-26 Budget

Your answers will help Councillors make important decisions about how to allocate our budget and prioritise spending next year. The survey will take approximately 10 minutes to complete. Thank you for your time.

Our team of Town Rangers deliver general town upkeep and maintenance work in public spaces, including edging out pathways, clearing alleyways, removing weeds, reporting fly-tipping, and conducting litter picks, as well as performing other ad-hoc jobs in response to resident information. This complements other services delivered by Lancaster City and Lancashire County Councils designed to try and maintain a clean, green town.

Are you happy with our Town Ranger service?

[Y/N]

How could our Town Ranger service be improved?

[Open text field]

Would you like to see more public realm initiatives designed to help maintain a clean and green town?

[Y/N]

The Council currently provides up to £35,000 in Community Grants annually to support local community groups and charities in Morecambe. Past grants have helped provide training for young people, offer mental health support services, support restoration of heritage assets and provide food parcels for vulnerable people, to give a few examples.

Would you like Morecambe Town Council to keep supporting local community groups and charities?

[Y/N]

The Council currently provides up to £60,000 in Festivals and Events Grants annually to support local events. These events provide entertainment for local people, encourage tourism, and boost the local economy - generating income for businesses and creating jobs for locals. Past grant recipients have included Vintage By The Sea, Armed Forces Day, Morecambe Pride, Morecambe Poetry Festival, A Splendid Day Out and the 1940s Revival Festival, to name a few. The Council also organises and delivers its own events, such as the Coronation Carnival for King Charles III, the Queen's Jubilee Lunch, MARS at the Winter Gardens, and the D-Day 80 Commemoration.

Would you like Morecambe Town Council to keep supporting local festivals and events?

[Y/N]

The Council is aware there is a lot of confusion about the different services Morecambe Town Council, Lancaster City Council, and Lancashire County Council deliver in Morecambe. We are trying to keep residents better

informed about the Town Council's services and offer more opportunities to share your views through communications materials such as a printed annual newsletter, a regular e-newsletter, an improved website (to be launched in early 2025) and surveys gathering your feedback.

Would you value hearing more from your Town Council and having more opportunities to share your views?

[Y/N]

Do you feel Morecambe should be more widely promoted as a tourist destination?

[Y/N]

In your opinion what should be the biggest priority for Morecambe over the next three years?

Precept Research

Background

This document has been prepared to support the understanding and basis of which the chart presented has originated from. Statistical figures were obtained from the Government database which can be found here: https://www.gov.uk/government/statistical-data-sets/live-tables-on-council-tax the figures used were from the 2024/25 financial year.

Map

The precept map presented to you outlines the average Band D requirements of each of the eight regions within England (North West, North East, Yorkshire and Humber, West Midlands, East Midlands, East, South West and South East.) The document has incorporated those Parish and Town Councils whose precept from the 2024/25 financial year was between £500,000 and £1,500,000. For context Morecambe Town Council's precept request for the 2024/25 financial year would have been £1,101,384.33 had it not been for the £150,000.00 subsidy which resulted in a precept request of £951,384.33 resulted in a levy of £97.56 per Band D household.

The data collected and presented was decided upon as the range includes Morecambe Town Council at the middle point of the data set (£500,000 and £1,500,000.) The upper limit of the data was determined due to where the Council may find itself in the future (collecting just under £1,500,000.00 over the next 5-10 years).

NALC Council Tax Briefing

Further information and comparison can be found within the NALC Council Tax Briefing document.

Key points to note from the NALC document include:

- The average Band D precept for local councils in England in FY2425 is £89.18 (a year-on-year increase of £7.44 or 9.1%). The average Band D precept for those collecting between £500K £1.5M in the North West is £104.13.
- The average year-on-year Band D precept increase for local councils in Lancashire is 11.94% year on year.
- The overall amount raised by precept amount raised by local precepting bodies is £783M (a year-on-year increase of £75M).

- 12 new local councils were created in FY2425, and 20 disbanded. Of these, one new
 council was created in a previously unparished area, suggesting that the other parish
 councils may have disbanded to merge into new parishes (as in the case of Yealand
 Redmayne Parish Council and Yealand Conyers Parish Council which were both
 disbanded in Lancaster to create The Yealands Parish Council).
- The largest precepts (£3M-£6.5M) were raised by Salisbury (Wiltshire), Chippenham (Wiltshire), Weymouth (Dorset), Falmouth (Cornwall), Central Swindon South (Swindon), Trowbridge (Wiltshire), West Super Mare (Somerset), Truro (Cornwall), and Bridgwater (Somerset).
- The largest precept increase was made by Taunton Town Council (Somerset) which raised its precept from £2,114,000 to £5,904,630 (taking its Band D tax rate from £109.67 to £299.30).
- Largest percentage increase was made by Waverley (Rotherham) with a year-on-year increase of 354.48%. Rivington Parish Council in Chorley (Lancashire) also made the top five, with a year-on-year increase of 332.10%.
- The largest Band D precept in Lancashire is £237.93 in Wennington Parish Council.
- There were 618 local councils that raised a precept of between £250K-£1M (one of which was Morecambe TC).
- There were 298 local councils that raised a precept between £500K-£1.5M (one of which was Morecambe TC).
- There were 1,647 councils that reduced their precept (one of which was Morecambe TC). The majority of these councils saw their tax base increase (which means that there were more properties they were able to raise the same cumulative sum from, as opposed to requiring less money to deliver services).
- There were 2,216 council that increased their precept by more than 10%.
